

# 11th Conference of the International Shoulder Group ISG

Thu 14<sup>th</sup> – Sat 16<sup>th</sup> July 2016, Winterthur, Switzerland

---

The International Shoulder Group is pleased to welcome you to its 11th bi-annual Conference, held in Winterthur, Switzerland, and organized by the IMES Institute for Mechanical Systems at the ZHAW Zurich University of Applied Sciences.

## Aim and Topics

The congress provides a scientific knowledge-sharing platform among researchers, engineers, clinicians, physiotherapists and others. The industrial exhibition supports the interaction between industry, practice and research. Abstracts in a broad field of shoulder biomechanics and related areas are of interest. The congress comprises scientific sessions in the area of Rotator Cuff, Modelling, Ergonomics, Neurological, Rehabilitation, Clinical and Prosthetics, Population and Performance, Athletics, and Methods. Further information can be found online:

<https://www.zhaw.ch/de/engineering/institute-zentren/imes/conference-of-the-international-shoulder-group/>

## Abstract Submission

Submit your structured abstract in pdf format via mail to [info.imes@zhaw.ch](mailto:info.imes@zhaw.ch). Find further abstract information and formatting recommendations as well as a template on:

<https://www.zhaw.ch/de/engineering/institute-zentren/imes/conference-of-the-international-shoulder-group/abstracts/>

## ISG

The International Shoulder Group (ISG) is a collaboration of mostly biomechanically oriented research groups interested in the shoulder. The ISG aims to enhance shoulder research by creating a platform for discussion and the exchange of information, software and data.

## Timeline

Abstract Submission Deadline:	Feb 12, 2016
Acceptance Notification:	Mar 14, 2016
Agenda publication:	April 4, 2016
Early Registration Deadline:	May 13, 2016 (registration opens middle of Jan 16)
Conference Date:	July 14 - July 16

## Keynote Speakers

PD Dr. med. Matthias Zumstein, Bern University Hospital, Switzerland

Prof. Dr. Tobias Nef, University of Bern, Switzerland

## Location

ZHAW Zurich University of Applied Sciences

Technikumstr. 71, 8400 Winterthur, Switzerland

47.49791 N, 8.72644 E

## Registration Fees\*

ISB member: CHF 350 / early bird (until 13<sup>th</sup> May): CHF 300

ISB student: CHF 250 / early bird (until 13<sup>th</sup> May): CHF 200  
Surcharge for non-members: CHF 50

The registration fee includes all sessions, welcoming reception, refreshment, lunches, conference dinner as well as the congress proceedings.

### Host

The Biomechanical Engineering Group of the IMES Institute of Mechanical Systems welcomes you at the „**Technikum Winterthur**“, the place where Albert Einstein gave his very first lecture in May 1901 (in Mathematics and Descriptive Geometry).
